BUCKMOOR MANOR--SECTION ONE  
RESTRICTIVE COVENANTS

The undersigned, DANIEL R. NICHOLS, General Partner of NICHOLS COLLECTION, an Indiana Limited Partnership, owner of the attached described real estate, hereby lays off, plats and subdivides said real estate described in the attached, in accordance with the plat and certificate.

This subdivision shall be known and designated as "Buckmoor Manor, Section One", and is more particularly described in the legal description attached hereto and incorporated herein as "Exhibit A".

The streets, if not heretofore dedicated, are hereby dedicated to public use.

There are strips of ground marked "Utility and Drainage Strips" shown on the plat which are hereby reserved for public utilities, not including transportation companies, for the installation and maintenance of poles, mains, sewers, drains, ducts, lines and wires. Purchasers of lots in this subdivision shall take their titles subject to the easements hereby created and subject at all times to the rights of proper authorities to service the utilities and the easements hereby created, and no permanent structure of any kind, and no part thereof, except fences, shall be built, erected or maintained on said "Utility and Drainage Strips". Utility and drainage easements are to be open and accessible at all times for the builder's or developer's use in constructing a house on any adjacent lot.

All lots in this subdivision by present and future owners or occupants shall be subject to the following conditions and restrictions, which shall run with the land.

1. No lot shall be used except for residential purposes and no building shall be erected, altered, or placed on any lot, other than one detached single family dwelling not to exceed two stories in height and an optional private garage for not more than two (2) cars. Carports with open sides shall not be permitted.

2. No dwelling shall be permitted on any lot unless the ground floor area of the main structure, exclusive of one story open porches and garages, shall be not less than 1000 square feet for a one story dwelling, nor less than 750 square feet for a dwelling of more than one story; two-story dwellings shall contain no less than 1,300 total square feet.

3. No building shall be located on any lot nearer to the front lot line or nearer the side street line than the minimum building set-back lines as shown on the recorded plat. No building shall be located nearer than 6 feet to a side yard line, and the total side yard set-back (both sides) must be at least 14 feet. No building shall be erected closer than 15 feet to the rear lot line. Unless otherwise approved by the Architectural Control Committee, as to use, location and harmonious design, no garage or storage building may be constructed separate and apart from the main dwelling.

4. Certain additional covenants and restrictions of use are made applicable to each lot and the common areas within the plat of this addition as contained in the Declaration of Covenants & Restrictions for "The Buckmoor Manor Association, Inc.", a Not-For-Profit Corporation and homeowners association established in the said Declaration and incorporated in the State of Indiana. The said Association was formed, incorporated and exists for the purposes of maintenance of the common areas within the plat, street lights, entrys from State Road 13<sup>1</sup> and Stella Drive; entry and directional signs and all other amenities, establishing assessments, for all such common expenses and all similar purposes for the common benefit of the properties within the plat. The said Declaration was recorded in the office of the Johnson County Recorder on April 25, 1985, as Instrument Number

3359, in Book 57 at page 583.

5. No building shall be erected, placed or altered on any lot until the construction plan and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structure, exterior paint and roof colors, and as to location with respect to topography and finish grade elevations. No fence or wall or mail box and post shall be erected, placed, or altered on any lot unless approved by the Architectural Control Committee. Approval shall be as provided in Part 7 hereof. No fences or structures of any nature will be erected upon any lot within this plat without prior written approval of the Architectural Control Committee. No building additions or remodeling involving exterior changes or additions shall be permitted without prior written approval of the Architectural Control Committee.

6. The Architectural Control Committee is composed of three members, appointed by the developer. A majority of the Committee may designate a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. Neither the members of the Committee nor its designated representatives shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then recorded owners of 90 percent of the lots, including the developer, shall have the power through a duly recorded written instrument to change the membership of the Committee or to withdraw from the Committee or restore to it any of its power and duties.

7. The Architectural Control Committee's approval or disapproval as required in these covenants shall be in writing.

In the event the Committee or its designated representative fails to approve or disapprove the plans as required herein within ten (10) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

8. With written approval of the Architectural Control Committee, and wherein the opinion of said Committee, the location will not detract materially from the appearance and value of other properties, a dwelling may be located nearer to a front lot line than above provided, but not nearer than 25 feet to any street line.

9. No noxious or offensive activity shall be carried on upon any lot nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

10. No accessory building or temporary structure of any nature whatsoever shall be permitted on any lot within this plat. No structure of a temporary character, trailer, easement, tent, shack, garage, barn or other out-building shall be permitted on any lot or used on any lot at any time as residence--either temporarily or permanently. The exterior surface of all buildings shall have the written approval of the Architectural Control Committee. All dwellings shall contain a garbage disposal unit. Outside trash burners are prohibited.

11. No sign of any kind shall be displayed to the public view on any lot, except signs used by a builder to advertise the property during the construction and sale period. Signs advertising property for sale or rent are specifically prohibited. Violation of this sign restriction will result in \$50.00 per day liquidated damages, payable to the developer upon demand.

11A. No downspout, foundation, drain, storm tile or other surface or subsurface drainage facility shall be caused or permitted to discharge into any sanitary sewer in this development.

12. No oil drillings, oil development operations, oil refining, quarries or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted on any lot. All gas and oil tanks must be concealed.
13. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except that dogs, cats or other household pets may be kept, provided that they are not kept, bred, or maintained for any commercial purpose. Notwithstanding the foregoing, all domestic pets and animals on or within any Lot shall be maintained in fenced rear yards or on a leash and shall not be permitted full access to the subdivision. Notwithstanding the foregoing, all domestic pets and animals on or within any lot, shall be maintained in fenced rear yards or on a leash and shall not be permitted free access to the subdivision.
14. No lot shall be used or maintained as a dumping ground for rubbish, trash, or garbage. Antennas, masts, or towers of any kind will not be permitted on any lot or outside any dwelling, unless first approved by the Architectural Control Committee.
15. No fence, wall, hedge or shrub planting which obstructs the sign lines at elevations between two and six feet above roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street property lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway pavement.
16. Each lot shall be kept in a neat and pleasing manner. Campers, recreational vehicles or boats of any kind may not be stored or parked on any lot outside the main dwelling or garage.

All basketball backboards and any other fixed games and play structures shall be located behind the front foundation line of the main structure and within lot setback lines. It is the intention of this restriction to assure that lots and surroundings present a park-like appearance.

17. No individual water supply system or sewage disposal system shall be permitted on any lot without prior written approval by Johnson County and will be located and constructed in accordance with requirements, standards, and recommendations of the Indiana State Board of Health.

18. Any field tile or underground drain which is encountered in construction of any improvements within this subdivision shall be perpetuated, and all owners of lots in this subdivision and their successors shall comply with the Indiana Drainage Code of 1965, and all amendments thereto.

19. Any motor vehicle which is inoperative and not being used for normal transportation shall not be permitted to remain on any lot. Above the ground swimming pools shall not be permitted or constructed on any lot.

20. The finished yard elevations at the house site on lots in this subdivision shall be not lower than the elevations shown on the general development plan.

21. Drainage swales (ditches) or drainage retention areas along dedicated roadways and within the right-of-way, or on dedicated easements, are not to be altered, dug out, filled in, tiled, or otherwise changed without the written permission of the Johnson County Drainage Board. Property owners must maintain these swales as sodded grassways, or other non-eroding surfaces. Water from roofs or parking areas must be contained on the property long enough so that said drainage swales or ditches will not be damaged by such water. Driveways may be constructed over these

sales or ditches only when appropriate sized culverts or other approved structures have been permitted by the County Drainage Board. Any property owner altering, changing, or damaging these drainage swales or ditches will be held responsible for such action and will be given 10 days notice by certified mail to repair said damage, after which time, if no action is taken, the Johnson County Drainage Board will cause said repairs to be accomplished, and the bill for said repairs will be sent to the affected property owner for immediate payment.

22. Violation of any of the covenants or restrictions of this plat or of those contained in the Declaration of Covenants and Restrictions for The Buckmoor Manor Association, Inc. referenced herein, shall subject the violation to liquidated damages in the sum of Fifty Dollars (\$50.00) per day for each day the violation continues and to all other remedies, including injunction, provided by law or in equity and all costs and expenses incurred by the developer or property owners, including attorneys fees, in litigation or other procedures required to remedy such violations shall be paid by the owner(s) of the lot or lots found to be in violation. By acceptance of a deed for title to any lot within this plat, the grantee acknowledges the provisions of this plat and agrees to be bound thereby and to pay the costs and expenses described in this paragraph where applicable.

23. These restrictions are hereby declared to be covenants running with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten years, unless at any time after 15 years following the date of recordation, an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

24. Enforcement shall be by proceedings at law or in equity against the person or persons violating or attempting to violate any covenants either to restrain violation or to recover damages. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect. Failure to enforce any specific requirement of the covenants shall not be considered as a waiver of the right to enforce any covenant herein, thereafter.

SUPPLEMENTAL COVENANTS AND RESTRICTIONS  
GOVERNING THE LOTS AND PROPERTIES  
IN BUCKMOOR MANOR SUBDIVISION,  
WHITE RIVER TOWNSHIP, JOHNSON COUNTY, INDIANA

8687

The following supplemental declaration of covenants and restrictions for the lots and properties in Buckmoor Manor Subdivision, a residential subdivision in White River Township, Johnson County, Indiana, made this 11<sup>th</sup> day of September, 1985, by NICHOLS COLLECTION, an Indiana Limited Partnership ("the Developer");

W I T N E S S E T H :

WHEREAS, the Developer has previously placed of record with the Recorder of Johnson County, Indiana, the plat of Buckmoor Manor, a residential subdivision in White River Township, which plat was recorded on the 25th day of April, 1985, as Instrument #3356, in Book 11, at Page 25, and contains certain covenants and restrictions intended to govern the development and use of the lots and properties within the said development; and

WHEREAS, it is the intention and desire of the Developer to provide as much as possible for the continued maintenance and upkeep of the lots and properties to preserve the appearance of the Development and the values of the lots and properties; and

WHEREAS, the covenants and restrictions of the plat of Buckmoor Manor and the Declaration of Covenants and Restrictions for the Buckmoor Manor Association, although containing certain provisions governing the use and development of the properties, do not provide for maintenance of the lots and properties by the Association, where such is determined to be in the best interests of all of the properties.

NOW, THEREFORE, the Developer hereby declares the following additional and supplemental covenants and restrictions as applicable to the ownership, use and development of all of the

lots and improvements thereon within the boundaries of Buckmoor Manor Subdivision, as herein described, to constitute covenants running with the land, as follows:

1. No exterior remodeling, alterations or improvements, or such interior changes which may effect the exterior design or appearance of any residence within Buckmoor Manor, including but by no means limited to, painting or changing of siding or roof materials, shall be commenced without the prior written approval of the Architectural Control Committee, given in accordance with the provisions of paragraph 7 of the Restrictive Covenants of the plat of Buckmoor Manor.

2. In addition to the stated and general purposes and responsibilities of The Buckmoor Manor Association, Inc. ("the Association"), as set forth in the Declaration of Covenants and Restrictions for The Buckmoor Manor Association, Inc., recorded on the 25th day of April, 1985, as Instrument #359, in Book 57, at Page 583, in the office of the Recorder of Johnson County, Indiana, the Association is hereby empowered to perform all repairs, maintenance and upkeep deemed necessary to maintain all lots and improvements thereon in a clean and neat condition and in good repair. The Association, through its Board of Directors, shall first notify the fee simple owner of any lot and/or upon which any condition exists which the Association believes does not reasonably conform to the standards maintained by the majority of property owners within Buckmoor Manor. In the event the said owner fails to make the repairs or perform the maintenance or upkeep as required by the Association within a reasonable time, as specified in the Association's notice to the owner, the Association may, in its discretion, cause the said repairs, maintenance and upkeep to be performed at the expense of the said owner, notifying the owner in writing upon completion

thereof of the amount and nature of the cost so incurred. Should the owner fail to pay the costs as reasonably incurred by the Association, the Association shall have a lien upon the owner's said real estate and improvements for the full amount of such costs and all related expenses incurred by the Association as herein provided.

3. In the event the Association is required to enforce its lien for costs and expenses incurred as provided in paragraph 2 of these Supplemental Covenants, the owner shall be responsible for all reasonable expenses incurred by the Association in recovering the costs expended on the owner's behalf, including, by example, attorney's fees and the costs of collection. This provision shall not limit in any manner the owner's obligation for the payment of fees and expenses incurred as the result of the owner's violation of the Covenants of the plat of Buckmoor Manor, as provided in paragraph 22 of those said Covenants. The provisions of the said paragraph 22 shall be interpreted to include costs and expenses incurred by the Association, as well as the Developer and the property owners, in enforcing all of the covenants and restrictions of the plat.

4. These Supplemental Covenants and Restrictions shall constitute additional covenants of the plat of Buckmoor Manor, which plat is of record as Instrument #3358, in Book 11, at Page 25, in the office of the Recorder of Johnson County, Indiana, and shall be construed in conjunction with the Restrictive Covenants of Buckmoor Manor, which are of record as Instrument #3360, in Book 57, at Page 584, in the office of the Recorder of Johnson County, Indiana. The duration and enforcement of these Supplemental Covenants shall be as provided in the Restrictive Covenants of Buckmoor Manor, as referenced herein.

From and after January 1st, 1989, the annual assessment may be incurred by vote of the members of the Corporation, as hereinafter provided, for the next succeeding two (2) years and at the end of each such period of two (2) years for each succeeding period of two (2) years. Notwithstanding the foregoing, Lots within The Properties owned in fee by the Class B members shall not be subject to annual assessments as provided herein, however, the Developer shall participate in and contribute to the expense of maintaining the Common Properties and right-of-way areas, as may be reasonably required in the best interests of The Properties.

The Board of Directors of the Corporation may, after consideration of current maintenance costs and future needs of the Corporation, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized by Section 3 hereof, the Corporation may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of each class of its membership, voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be given to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual

Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Corporation may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period, provided that any such change shall have the assent of two-thirds (2/3) of each class of its membership, voting in person or by proxy (as defined and required in Section 6 below), at a meeting duly called for this purpose, written notice of which shall be given to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Corporation is authorized to participate under its Articles of Incorporation and under Article II, Section 2 hereof.

Section 6. Quorum for Any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Sections 4 and 5 hereof, the presence at the meeting of members, or of proxies, entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence on the date fixed by the Board of Directors of the Corporation to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable on the first day of January of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bears to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to The Properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment, which resolution may authorize payment in equal installments no less often than monthly, provided the entire special assessment is paid during the calendar year to which it is applicable.

Section 8. Duties of the Board of Directors. The Board of Directors of the Corporation shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of The Properties and assessments applicable thereto which shall be kept in the office of the Corporation and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent out to every Owner subject thereto.

The Corporation shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Corporation, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Fund for Capital Expenditures. All sums assessed by the Corporation shall be determined and established by using generally accepted accounting principles approved on a consistent basis and shall include the establishment and maintenance of a replacement reserve fund for capital expenditures and replacement and repair of the Common Areas and facilities, which funds shall be used for those purposes and not for usual and ordinary repair expenses of the Common Areas and facilities. The said fund for capital expenditures in repair and

replacement of Common Areas and facilities shall be maintained in a separate interest bearing account with a bank or savings and loan association authorized to conduct business in Johnson County, Indiana. Assessments collected for contribution to this fund shall not be subject to Indiana gross income tax or adjusted gross income tax.

Section 10. Effect of Nonpayment of Assessments; The Personal Obligation of the Owner; The Lien; Remedies of Corporation. If the assessments are not paid on the date or dates when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, successors and assigns. If, under Section 7 installment payments of special assessments have been authorized, then failure to pay any one installment within ten (10) days after the due date shall accelerate the payment of all installments and the entire unpaid balance of such assessment shall immediately become due and owing without further notice. The Grantee of any Lot in which the Properties shall be jointly and severally liable with the Grantor for all unpaid assessments against the latter for his share of the Common Properties' expenses, as herein provided, incurred up to the time of the conveyance, without prejudice, however, to the Grantees' right to recover from the Grantor the amounts paid by the Grantee therefor. However, any such Grantee shall be entitled to a statement from the Corporation setting forth the amount of unpaid assessments against the Grantor and such Grantee shall not be liable for, nor shall the Lot so conveyed be subject to a lien for any unpaid assessments against the Grantor in excess of the amount certified by the Corporation to the Grantee.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of thirteen percent (13%) per annum, and the Corporation may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 11. Subordination of Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon The Properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 12. "Junior Lien" Provision. If any promises subject to the lien hereof shall become subject to the lien of a mortgage or deed of trust (1) the foreclosure of the lien hereof shall not operate to affect or impair the lien of the mortgage or deed of trust; and (2) the foreclosure of the lien of the mortgage or deed of trust or the acceptance of a deed in lieu of foreclosure by the mortgagee shall not operate to affect or impair the lien hereof, but said charges as shall have accrued up to the foreclosure on the acceptance of the deed in lieu of foreclosure shall be subordinate to the lien of the mortgage or

deed of trust with the foreclosure purchaser or deed in lieu Grantee taking title free of the lien hereof for all such charges that have accrued up to the time of the foreclosure or deed given in lieu of foreclosure, but subject to the lien hereof for all said charges that shall accrue subsequent to the foreclosure or deed given in lieu of foreclosure.
