COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal

Obligation of Assessments. Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) monthly assessments or charges; (2) special assessments for capital improvements and operating deficits; and (3) special assessments as provided in Article IV, Article IX and Article X; such assessments to be established and collected as hereinafter provided. The monthly and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Properties and for the improvements, maintenance and other purposes as specifically provided herein.

Section 3. Maximum Monthly Assessments.

(a) Until January 1, 1981, the maximum monthly assessment on any Lot conveyed by Declarant shall be \$24.00 per Lot, except that if a Lot is undeveloped or construction of the residential unit thereon is incomplete, the maximum monthly assessment for such Lot shall be twenty-five per cent (25%) of the monthly assessment applicable to other Lots.

(b) From and after January 1, 1981, the maximum monthly assessment may be increased each calendar year not more than 8% above the maximum assessment for the previous year without a vote of the membership.

(c) From and after January 1, 1981, the maximum monthly assessment may be increased above 8% by a vote of a majority of the members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board of Directors may fix the monthly assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements and Operating Deficits. In addition to the monthly assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty per cent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both monthly and special assessments for capital improvements and operating deficits must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Monthly Assessments: Due Dates. The monthly assessment provided for herein and the insurance assessment provided for in Article X shall commence as to each Lot on the first day of the first month following the conveyance of such Lot by Declarant. The Board of Directors shall fix any increase in the amount of the monthly assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or monthly installment of such assessment, if applicable) is not paid on the date when due (pursuant to Section 7 hereof), then the entire unpaid assessment shall become delinquent and shall become, together with such interest thereon and cost of collection thereof as hereinafter provided, a continuing lien on such Lot, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of 8% per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, or both, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action in favor of the prevailing party.

No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

ARTICLE VIII

DECLARANT'S RIGHTS

MAINTENANCE

Section 1. Maintenance by Owners. The owner of each Lot shall furnish and be responsible for, at his own expense, all the maintenance, repairs, decorating and replacements within his residence, including the heating and air conditioning system and any partitions and interior walls. He further shall be responsible for the maintenance, repair and replacement of all windows in his residence and also the doors leading into the residence, and any and all other maintenance, repair, and replacements of the improvements on his Lot unless otherwise provided herein.

To the extent that equipment, facilities and fixtures within any Lot shall be connected to similar equipment, facilities or fixtures affecting or serving other Lots, then the use thereof by the Owner of such Lot shall be subject to the rules and regulations of the Association. The authorized representatives of the Association or Board of Directors or the manager or managing agent for the Association shall be entitled

to reasonable access to any Lot as may be required in connection with maintenance, repairs or replacements of or to any equipment, facilities or fixtures affecting or serving other Lots.

Section 2. Maintenance of Driveway Easements. The Association shall be responsible for the maintenance, repair and repaving of all Driveway Easements and for the maintenance and repair of the pedestrian walkway or sidewalk constructed or to be constructed within the easement created and described in Article XI, Section 3 hereof.

Section 3. Exterior Maintenance Obligations of Association with Respect to Lots. In addition to maintenance upon the Driveway Easements, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, and other exterior improvements, lawns, shrubs, trees, trash removal and snow removal from the paved portions of Driveway Easements and front walks. Such exterior maintenance shall not include glass surfaces, doorways, windows, and window frames.

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject.

ARTICLE X

INSURANCE

Section 1. Casualty Insurance. The Association shall purchase a master casualty insurance policy affording fire and extended coverage insurance insuring the Properties in an amount consonant with the full replacement value of the improvements excluding all floor, ceiling and wall coverings

and fixtures, betterments and improvements installed by any Owner and excluding any personal property owned by any Owner whether located on a Lot or elsewhere. If the Association can obtain such coverage for reasonable amounts it shall also obtain "all risk" coverage. The Association shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Association, it may cause such full replacement value to be determined by a qualified appraiser and the cost of any such appraisal shall be included in the monthly maintenance assessment for each Lot. Such insurance coverage shall be for the benefit of each Owner, and, if applicable, the Mortgagee of each Owner.

Such master casualty insurance policy, and "all risk" coverage if obtained, shall (to the extent the same are obtainable) contain provisions that the insurer (a) waives its right to subrogation as to any claim against the Association, its Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense based on the invalidity arising from the acts of the insured, and providing further, if the Board of Directors is able to obtain such insurance upon reasonable terms, that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by individual Owners as hereinafter permitted.

Section 2. Liability Insurance. The Association shall also purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors, all persons acting or who may come to act as agents or employees of any of the

foregoing with respect to Country Village, all Owners and all other persons entitled to occupy any Lot.

The Association shall also obtain any other insurance required by law to be maintained, including but not limited to workmen's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors his right to adjust with the insurance companies all losses under policies purchased by the Association.

Section 3. Monthly Assessment for Insurance. The premiums for all such insurance hereinabove described shall be paid by the Association and the pro-rata cost thereof shall become a separate monthly assessment to which each Lot conveyed by Declarant shall be subject under the terms and provisions of Article VII. Each Owner shall prepay to the Association at the time his lot is conveyed to such Owner an amount equal to thirteen (13) monthly insurance assessments and shall maintain such prepayment account at all times. The Association shall hold such funds in escrow for the payment for the purchase of insurance as herein provided. When any such policy of insurance hereinabove described has been obtained by or on behalf of the Association, written notice of the obtainment thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner or Mortgagee whose interest may be affected thereby, which notice shall be furnished by the officer of the Association who is required to send notices of meetings of the Association.

Section 4. Distribution to Mortgagee. In no event shall any distribution of proceeds be made by the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certificate of insurance. In such event any remittances shall be to the Owner and his Mortgagee jointly.

Section 5. Additional Insurance. Each Owner shall be solely responsible for and may obtain such additional insurance as he deems necessary or desirable at his own expense affording coverage upon his personal property, the contents of his residence (including, but not limited to, all floor, ceiling and wall coverings and fixtures, betterments and improvements installed by him) and his personal property stored elsewhere on the Properties, and for his personal liability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing provisions for the master casualty insurance policy to be obtained by the Association. Each Owner may obtain casualty insurance at his own expense upon his Lot but such insurance shall provide that it shall be without contribution as against the casualty insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance purchased by the Association pursuant to this paragraph due to proration of insurance purchased by an Owner under this paragraph, the Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

Section 6. Casualty and Restoration. Damage to or destruction of any Building due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose.

Section 7. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Building or Buildings so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a special assessment against all Lots for such deficiency.

For purposes of Section 6 above, repair, reconstruction and restoration shall mean construction or rebuilding of the Building or Buildings to as near as possible the same condition as it existed immediately prior to the damage or destruction and with the same type of architecture.

Section 8. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Properties, or, in the discretion of the Board of Directors, may be distributed to the Owners of the Buildings affected and their Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

ARTICLE XI

EASEMENTS

Section 1. Drainage, Utility and Sewer Easements. There are strips of ground marked "drainage, utility and sewer easements, (D. U. & S.)" shown on the Plat which are hereby reserved for public utilities, not including transportation

companies, for the installation and maintenance of poles, mains, sewers, drains, ducts, lines, wires and the like. The Owners of Lots shall take title subject to the easements hereby created and subject at all times to the rights of proper authorities to service the utilities and the easements hereby created. No permanent structure of any kind, and no part thereof, including fences, shall be built, erected or maintained on said drainage, utility and sewer easements except walkways and paving on the Driveway Easements.

Such Driveway Easements shall not be used for parking of trucks or other commercial vehicles, except temporarily or incidentally for the making of pickups and deliveries to neighboring Lots. No velocipedes, bicycles, toys or other private property shall be allowed to obstruct any Driveway Easement, nor shall the same be stored in the open alongside building walls or other locations of public view. Cars, trucks and other vehicles shall not be parked on the paved portion of any Driveway Easement so as to impede access from or to any Lot or public street. No fence, barrier or other obstruction of any kind shall ever be placed or constructed on any Driveway Easement without the prior written consent of the Association and all Owners of Lots appurtenant to such Driveway Easement. Such consent shall not be binding upon any subsequent Owner unless and until a properly executed instrument specifically identifying all Lots concerned shall have been duly filed of record with the Office of the Recorder of Marion County, Indiana.

Section 3. Easement for Sidewalk. A private easement is hereby reserved for a pedestrian walkway or sidewalk for the common use and enjoyment of any Owner of any Lot, any resident

Such pedestrian walkway or sidewalk shall be located within the Driveway Easements appurtenant to Lots 6c, 6d, 7a, 7b, 13d, 13c, 14a and 14b, as such Driveway Easements are shown on the Plat, and shall be constructed by Declarant in a manner that, in the discretion of Declarant, will not materially interfere with the use and enjoyment of the Driveway Easements appurtenant to such Lots. Cars, trucks and other vehicles shall not be parked on the pedestrian walkway or sidewalk as constructed and no fence, barrier or other obstruction of any kind shall ever be placed or constructed thereon. The easement described herein shall not be used for any type of motor vehicle access whatsoever between Stillmeadow Drive and Sunfield Court. The walkway or sidewalk easement hereby created shall not be used by any person in any manner which could reasonably be expected to disturb the use and quiet enjoyment of the Lots on which the easement hereby created is located.

Section 4. Easement for Emergency Purposes. An easement is hereby granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars, ambulances, etc., and emergency personnel, public and private, over and upon the Driveway Easements and pedestrian walkway or sidewalk easement referred to in Section 3 above.

ARTICLE XII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing lines between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. Subject to the provisions of Article X hereof, if a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

ARTICLE XIII

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein, other than by the Board of Directors, be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an

architectural committee composed of three (3) or more representatives appointed by the Board. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefor as above provided.

ARTICLE XIV

SIGNS AND HOME OCCUPATIONS

Section 1. Signs. Prior to January 1, 1983, no advertising signs of any kind (other than interior window signs) shall be displayed on any Lot without the prior written approval of Declarant. Further, no signs of any nature, kind or description (including incidental signs as regulated in Section 2.18 of the Dwelling District Zoning Ordinance of Marion County, Indiana, 68-AO-2, as amended) shall be erected, placed or maintained on any Lot which identify, advertise or in any way describe the existence or conduct of a home occupation.

Section 2. Home Occupations. No home occupation shall be conducted or maintained on any Lot other than one which is incidental to a business, profession or occupation of the Owner or occupant of any such Lot and which is generally or regularly conducted in another location away from such Lot. Nothing contained herein shall be construed or interpreted to effect the activities of Declarant in the sale of Lots or single-family dwellings as a part of the development of this Subdivision.

ARTICLE XV

ENCORACHMENTS AND EASEMENTS FOR BUILDINGS

If, by reason of the location, construction, settling or shifting of a Building, any part of a Building consisting of the single-family residence appurtenant to a Lot (hereinafter in this Article XIV referred to as the "Encroaching Lot") now encroaches or shall hereafter encroach upon any other adjacent

Lot, then in such event, an easement shall be deemed to exist and run to the Owner of the Encroaching Lot for the maintenance, use and enjoyment of the Encroaching Lot and all appurtenances thereto.

Each Owner shall have an easement in common with each other Owner to use all pipes, wires, ducts, cables, conduits, utility lines and other common facilities located in or on any other Lot and serving his Lot.

ARTICLE XVI

GENERAL PROVISIONS

Section 1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the persons in ownership from time to time of the Lots and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 2. Amendment. This Declaration may be amended or changed at any time within ten (10) years following the date of recordation by an instrument recorded in the Office of the Recorder of Marion County, Indiana, signed by at least a majority of the then Owners and thereafter by a similar recorded instrument signed by at least seventy-five per cent (75%) of such Owners; provided, however, none of the rights of Declarant reserved hereunder may be amended or changed without Declarant's prior written approval. This Declaration shall run

with the land and shall be binding upon all parties claiming under them for a period of twenty (20) years from the date of recordation in the Office of the Recorder of Marion County, Indiana, and shall automatically extend for successive periods of ten (10) years each unless prior to the expiration of any such ten-year period it is amended or changed in whole or in part as hereinabove provided. Invalidation of any of the covenants, conditions and restrictions of this Declaration by judgment or decree shall in no way effect any of the other provisions hereof, but the same shall remain in full force and effect.

Section 3. Annexation. Additional residential property may be annexed to the Properties with the consent of a majority of the Owners by the recording of a declaration applicable to such annexed real estate which incorporates the terms of the Declaration herein.

Section 4. HUD Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Department of Housing and Urban Development: annexation of additional properties; dedication of common area (if any); and amendment of this Declaration.
