OF TUSCANY VILLAGE SUBDIVISION**

THIS DECLARATION (Declaration) is made this _____ day of _____, 2004, by Tuscany Village LLC, an Indiana limited liability company ("Developer").

RECITALS

1. Developer is the owner of the real estate which is described in Exhibit "A" attached hereto and made a part hereof (the "Initial Real Estate").
2. Developer intends to subdivide the Initial Real Estate into residential lots.
3. Before subdividing the Initial Real Estate, Developer desires to subject the Initial Real Estate to certain covenants, conditions and restrictions for the purpose of preserving and protecting the value and desirability of the Initial Real Estate for the benefit of each owner of any part thereof.
4. Developer further desires to create an organization to which shall be assigned the responsibility for maintaining and administering the common areas and certain other areas of the Real Estate and of administering and enforcing the covenants and restrictions contained in this Declaration and the subdivision plats of the Initial Real Estate as hereafter recorded in the office of the Recorder of Johnson County, Indiana and of collecting and disbursing assessments and charges as herein provided.
5. Developer may from time to time subject additional real estate located within the tracts adjacent to the Initial Real Estate to the provisions of this Declaration (the Initial Real Estate, together with any such addition, as and when the same becomes subject to the provisions of this Declaration as herein provided, is hereinafter referred to as the "Real Estate" or the "Subdivision").

NOW, THEREFORE, Developer hereby declares that the Real Estate is and shall be acquired, held, transferred, sold, hypothecated, leased, rented, improved, used, and occupied subject to the following covenants, conditions and restrictions, each of which shall run with the land and be binding upon, and inure to the benefit of, Developer and any other person or entity hereafter

acquiring or having any right, title or interest in or to the Real Estate or any part thereof.

ARTICLE I

DEFINITIONS

The following terms, when used in this Declaration with initial capital letters, shall have the following respective meanings:

1.1 "Association" means the Tuscany Village Community Association, Inc., an Indiana not-for-profit corporation, which Developer has caused or will hereafter cause to be incorporated, and its successors and assigns.

1.2 "Architectural Review Committee" means the architectural review body established pursuant to Paragraph 6.1 of this Declaration.

1.3 "Common Areas" means (i) all portions of the Real Estate shown on any Plat of a part of the Real Estate as a "Common Area" or which are otherwise not located in Lots and are not dedicated to the public and all facilities, structures, buildings, improvements and personal property owned or leased by the Association from time to time.

1.4 "Common Expenses" means (i) expenses associated with the maintenance, repair or replacement of the Common Areas and the performance of the responsibilities and duties of the Association, including without limitation expenses for the improvement, maintenance or repair of the improvements, lawn, foliage and landscaping located on a Drainage, Utility or Sanitary Sewer Easement or on a Landscape Easement to the extent the Association deems it necessary to maintain such easement, (ii) expenses associated with the maintenance, repair or continuation of the drainage facilities located within and upon the Drainage, Utility or Sanitary Sewer Easements, (iii) all judgments, liens and valid claims against the Association, (iv) all expenses incurred to procure liability, hazard and any other insurance provided for herein and (v) all expenses incurred in the administration of the Association or the performance of the terms and provisions of this Declaration.

1.5 "Developer" means Tuscany Village, LLC, an Indiana limited liability company, and any successors or assigns whom it designates in one or more written recorded instruments to have the rights of Developer hereunder.

1.7 "Landscape Easements" means those areas of ground so designated on a Plat of any part of the Real Estate established for the purpose of providing community landscaping amenities and maintaining landscaping required by regulatory approvals.

1.8 "Lot" means any parcel of the Real Estate (excluding the Common Areas) which is designated and intended for use as a building site, or developed and improved for use as a single family residence identified by number on the Plat; specifically excluding, however, parcels of real estate designated as "Blocks".

1.9 "Mortgagee" means the holder of a duly recorded first mortgage lien on any Lot or Residence Unit.

1.10 "Original Builder" means the homebuilder to which the Developer initially conveys the Lots.

No existing trees or shrubs may be removed from these Easements except for the removal of dead or diseased plant material. Wherever Tree Preservation Easements may coincide with other easements, such as drainage, utility or access easements, any tree or shrub trimming or removal shall be the minimum amount necessary to achieve suitable drainage, utility installation or access within the Tree Preservation Easement.

1.17 "Utility, Drainage or Sanitary Sewer Easements" means those areas of ground so designated on a Plat of any part of the Real Estate.

Such easement shall run with and be appurtenant to each Lot and related Residence Unit, subject to the following provisions:

(i) the right of the Association to charge reasonable fees for the use of any recreational facilities situated upon the Common Areas which are in addition to the regular and special assessments described herein;

(ii) the right of the Association to fine any Owner or make a special assessment against any Lot in the event a person permitted to use the Common Areas by the Owner of such Lot violates any rules or regulations of the Association;

(iii) the right of the Association to dedicate or transfer all or any part of the Common Areas or grant easements therein to any public agency, authority or utility for such purposes and subject to such conditions as may be set forth in the instrument of dedication or transfer;

(iv) the easements reserved elsewhere in this Declaration and in any Plat of any part of the Real Estate.

3.2 Permissive Use. Any Owner may permit his or her family members, guests, tenants or contract purchasers who reside in the Residence Unit to use his or her right of use and enjoyment of the Common Areas subject to the terms of this Declaration and any rules and regulations promulgated by the Association from time to time.

3.3 Conveyance of Common Areas. Developer may at any time and from time to time convey all of its right, title and interest in and to any of the Common Areas to the Association by warranty deed, and such Common Areas so conveyed shall then be the property of the Association; provided, however, that the Common Areas for the Initial Real Estate and any additional lands

Developer may also convey a part of Common Area "A" as designated on the face of the Plat to the Indianapolis Parks Department or its designee to be developed and operated as a public park. 3.4 Easements for Developer.

(a) During the Development Period, Developer shall have an easement for access to the Real Estate, including any Lot and all Common Areas, for the purpose of constructing structures and other improvements in and to the Lots and Common Areas, and for installing, maintaining, repairing, and replacing such other improvements to the Real Estate (including any portions of the Common Areas) as are contemplated by this Declaration or as Developer desires, in its sole discretion, including, without limitation, any improvements or changes permitted and described by Article II hereof, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Developer have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Developer at that time retains ownership of a Lot, Developer shall have an alienable, transferable, and perpetual right and easement to have access, ingress and egress to the Common Areas and improvement thereon for such purposes as Developer deems appropriate, provided that Developer shall not exercise such right so as to unreasonably interfere with the rights of owners of the Real Estate.

(b) In addition to the easement set forth in Section 3.4 (a), Developer hereby retains, reserves and is granted an exclusive perpetual easement over, above, across, upon, along, in, through, and under the Utility Easement Areas, as such is defined in Section 3.5, below (i) for the purpose of owning, installing, maintaining, repairing, replacing, relocating, improving, expanding and otherwise servicing any utility or service including, without limitation, electricity, gas, sewer, telephone,

The easements, rights and privileges reserved to Developer under this Section 3.4(b) shall be transferable by Developer to any person or entity solely at the option and benefit of the Developer, its successors and assigns, and without notice to or the consent of the Association, the Owners, or any other person or entity. Developer may at any time and from time to time grant similar or lesser easements, rights, or privileges to any person or entity. By way of example, but not by limitation, Developer and others to whom Developer may grant such similar or lesser easements, rights or privileges, may so use any portion of the Real Estate to supply exclusive telecommunications services to each Lot. The Easements, rights and privileges reserved under this Section shall be for the exclusive benefit of Developer, its successors and assigns and may not be impaired, limited or transferred, sold or granted to any person or entity by the Association or any of the Owners.

No permanent structures shall be erected or maintained upon said drainage easements.

Landscape Easements, as designated on a Plat of all or any part of the Real Estate, are hereby created and reserved for the use of Developer and the Association for access to and installation, maintenance, repair, and replacement of signs, walls, earth mounds, trees, foliage, landscaping, and other improvements. Except as installed by Developer or the Association, no improvements or permanent structures, including without limitation, fences, patios, decks, driveways, and walkways, shall be erected or maintained in or upon said Landscape Easements without the written consent of the Board and provided such are in accordance with all applicable zoning laws. 7.6 Failure of Owner to Pay Assessments.

(i) No Owner may exempt himself from paying Regular Assessments and Special Assessments due to such Owner's nonuser of the Common Areas or abandonment of the Residence Unit or Lot belonging to such Owner. If any Owner shall fail, refuse or neglect to make any payment of any assessment when due, the lien for such assessment (as described in section 7.7 below) may be foreclosed by the Board of Directors of the Association for and on behalf of the Association as a mortgage on real property or as otherwise provided by law. In any action to foreclose the lien for any assessment, the Owner and any occupant of the Residence Unit shall be jointly and severally liable for the payment to the Association on the first day of each month of reasonable rental for such Residence Unit, and the Board of Directors shall be entitled to the appointment of a receiver for the purpose of preserving the Residence Unit or Lot, and to collect the rentals and other profits therefrom for the benefit of the Association to be applied to the unpaid assessments. The Board of Directors of the Association, at its option, may in the alternative bring suit to recover a money judgment for any unpaid assessment without foreclosing or waiving the lien securing the same. In any action to recover an assessment, whether by foreclosure or otherwise, the Board of Directors of the Association, for and on behalf of the Association, shall be entitled to recover from the Owner of the respective Lot costs and expenses of such action incurred (including but not limited to attorneys fees) and interest from the date such assessments were due until paid.

(ii) Notwithstanding anything contained in this section 7.6 or elsewhere in this Declaration, any sale or transfer of a Residence Unit or Lot to a Mortgagee pursuant to a foreclosure of its mortgage or conveyance in lieu thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid assessments which became due prior to such sale, transfer or conveyance; provided, however, that the extinguishment of such lien shall not relieve the prior Owner from personal liability therefor. No such sale, transfer or conveyance shall relieve the Residence Unit, or the purchaser thereof, at such foreclosure sale, or the grantee in the event of conveyance in lieu thereof, from liability for any assessments thereafter becoming due or from the lien therefor.

7.7 Creation of Lien and Personal Obligation. All Regular Assessments and Special Assessments, together with interest, costs of collection and attorneys' fees, shall be a continuing lien upon the Lot against which such assessment is made prior to all other liens except only (i) tax liens on any Lot in

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
OF TUSCANY VILLAGE SUBDIVISION

favor of any unit of government or special taxing district and (ii) the lien of any first mortgage of record. Each such assessment, together with interest, costs of collection and attorneys' fees, shall also be the personal obligation of the Owner of the Lot at the time such assessment became due and payable. Where the Owner constitutes more than one person, the liability of such persons shall be joint and several. The personal obligation for delinquent assessments (as distinguished from the lien upon the Lot) shall not pass to such Owner's successors in title unless expressly assumed by them. The Association, upon request of a proposed Mortgagee or proposed purchaser having a contractual right to purchase a Lot, shall furnish to such Mortgagee or purchaser a statement setting forth the amount of any unpaid Regular or Special Assessments or other charges against the Lot. Such statement shall be binding upon the Association as of the date of such statement.

7.8 Expense Incurred to Clear Drainage, Utility or Sanitary Sewer Easement Deemed a Special Assessment. As provided in the Plat Covenants relating to the Real Estate, the Owner of any Lot subject to a Drainage, Utility or Sanitary Sewer Easement including any builder, shall be required to keep the portion of said Drainage, Utility or Sanitary Sewer Easement on his Lot free from obstructions so that the storm water drainage will not be impeded and will not be changed or altered without a permit from the applicable local governmental authority and prior written approval of the Developer and the Association. Also, no structures or improvements, including without limitation decks, patios, pools, fences, walkways or landscaping of any kind, shall be erected or maintained upon said easements, and any such structure or improvement so erected shall, at Developer's or the Association's written request, be promptly removed by the Owner at the Owner's sole cost and expense. If, within thirty (30) days after the date of such written request, such Owner shall not have commenced and diligently and continuously effected the removal of any obstruction of storm water drainage or any prohibited structure or improvement, Developer or the Association may enter upon the Lot and cause such obstruction, structure or improvement to be removed so that the Drainage, Utility or Sanitary Sewer Easement is returned to its original designed condition. In such event, Developer or the Association shall be entitled to recover the full cost of such work from the offending Owner and such amount shall be deemed a special assessment against the Lot owned by such Owner which, if unpaid, shall constitute a lien against such Lot and may be collected by the Association pursuant to this Article 7 in the same manner as any Regular Assessment or Special Assessment may be collected.

If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a Special Assessment against all Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds. Notwithstanding any obligation or duty of the Association hereunder to repair or maintain the Common Areas and other improvements if, due to the willful, intentional or negligent acts or omissions of any Owner (including any builder) or of a member of his family or of a guest, subcontractor, employee, tenant, invitee or other occupant or visitor of such Owner, damage shall be caused to the
